

## The Smarter Single Touch Scanning Solution

- Simple, easy-to-use buttons
- USB interface for easy setup
- 36-bit internal color
- 600 x 1200 dpi optical resolution

The UMAX Astra 2100U scanner provides an ideal scanning solution for all of your photos and documents. It's never been easier to add the impact of photos, graphics and text to brochures, flyers, web pages and presentations.

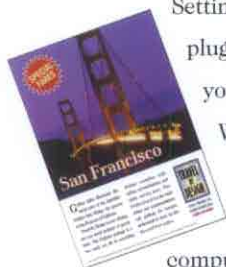

**Software that grows with you.**

VistaScan is the first scanning software package designed for both the entry-level and experienced user alike.

The push of a button allows for quick changes in the interface, and provides you with an easy way to change from either the Beginner or Advanced settings. One choice is for simple, one-step scanning; the other offers powerful imaging tools for adjusting color, hue, contrast, descreening and much more. And with the included, award-winning Adobe PhotoDeluxe software, you'll have more powerful tools for ensuring that you end up with the image that you want—every time.

**Work smarter, not harder.** With the included VistaScan software, you'll have the flexibility to scan from virtually any application—anytime.

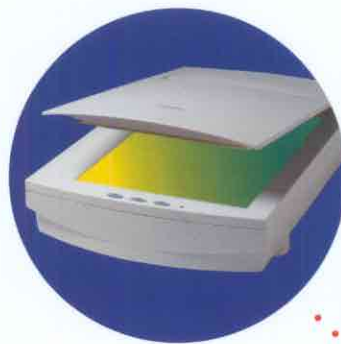

Setting-up the scanner is simple – just plug it in, install the software, and you'll be up and running in minutes.

With a USB interface, you'll be able to use the Astra 2100U with either a Windows-compatible computer or Macintosh system.

**Buttons make it easier.** You can easily scan, copy, e-mail or perform optical character recognition with the touch of a button. That means that you can perform all your favorite scanning functions in one step, without having to touch the computer. It's that easy.

# UMAX® Astra 2100U

## Smarter Single Touch Scanning

The UMAX Astra 2100U is the smart, single touch scanner for home and office. With a touch of a button you can scan, copy or send images and documents to popular applications such as e-mail, and OCR. With the USB interface, setup is simple. Just plug in the scanner, install the software and you're up and running in minutes. Scanning has never been easier!
